

## Morpeth ASC – Competition/Camp/Events Calendar 2023-2024

This is a **'Live Document'** and subject to change. **Competitions will be added** or changed as more information becomes available.

Meets in Yellow are TBC as not all relevant meet information is available yet

Meets in Green are TEAM competitions, swimmers are expected to compete if selected - Please keep free

Competitions are part of a swimmers training programme. The number of competitions and level is specific to each squad and individual swimmers' stage of development.

For swimmers to progress towards their potential, **every effort should be made by swimmers and parents to enter:**

- **All competitions directed at their squad - Keep competition dates FREE wherever possible**
- **All events at that competition directed by the Coaching Team**

Details on entry procedure and closing dates will be communicated nearer the time of each competition.
